DANIEL AND THE DIXIE DIGGERS

We have been extremely satisfied....Daniel and the group played to seats full of young and old alike....kept right on entertaining twelve hours a day, never missed a show and never complained to me.

Animation gave our park a new dimension. I am very happy that we selected Sally, and look forward to working with you on the future animation we have planned for our park.

Very truly yours,

John F. Krantz

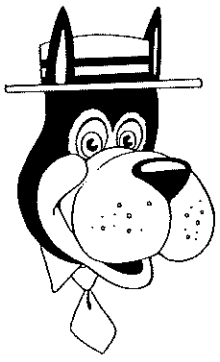
Daniel T. Bones



Our Bronx-born band leader is a champ when it comes to tickling the ribs as well as the ivories. Daniel was weaned on Ragtime and one-liners.

Colonel Beauregard

This Kentucky colonel mumbles and grumbles and even occasionally naps on the job. But he drums up a storm and thinks patriotic music is the bee's knees.

Scratchmo

A hip Bull Dog with a soft spot for children, Scratchmo is a characterization of Louis Armstrong, so, 'natch, his favorite music is New Orleans jazz. And his trumpet is truly golden.

Huck L. Berry

Blue grass is serious business for this hound from the hills. Don't let his slow pace mislead you, "Magic Fingers" Huck will have your feet tappin' in no time.

Sir Percy Percival

"Sir Percy" is to the manor bred. He plays a red-hot clarinet, sports a very British wit and sings some delightful comedy numbers.
